The Constitution is the law of the land. All treaties, laws, and rulings will be the supreme law, which no state law or otherwise can contradict.

Senators and Representatives must take an oath to uphold the Constitution.

Constitution led to the growth of power of the national government because it established the “power to hold a standing army . . . [whereas] [p]rior to the ratification, states maintained their own individual militias.” A second point was earned by describing “[t]he power to tax, [which] . . . allowed the government
