### ADDRESSING PRIORITIES FOR ELEMENTARY SCHOOL MATHEMATICS

Basic education in Washington state is defined by the Legislature (RCW 28A.150.210). As required by state law, OSPI develops the state's learning standards (RCW 28A.655.070) and oversees the assessment of the learning standards for state and federal accountability purposes. Learning standards define what all students need to know and be able to do at each grade level.

Mathematics: Focus by Grade Level. The Common Core and other college- and career-ready (CCR) standards call for a greater focus in mathematics. Rather than racing to cover topics in a mile-wide, inch-deep curriculum, CCR standards require us to significantly narrow and deepen the way time and energy are spent in the math classroom.
