Hill Petrucci, General Chemistry, 4e

General Chemistry, Fourth Edition presents chemistry to match how students learn - visually (by seeing) and through practice (by doing). Its problem-solving pedagogy is the most supportive available, providing an array of resources to assist students as they learn to solve problems and as they actively assess their progress.

General, Organic, & Biological Chemistry - McGraw Hill

The textbook is called "Introductory Chemistry 3 edition, Nivaldo J. Tro." The best thing is that the supplement book I'm mentioning goes for like 7 bucks on here, a definite must have. Other than that, I didn't want to rate the book low because of the introductory stuff since the books is directed towards an audience that 'should' have a firm ...
