Physical Science answers? - Answers

In physical science we had to make a small car out of cardboard adnd elastics. Our car had to move a little (ours went 3 meters). This is the question I have to answer: Describe how energy is transformed from one form to another in your car that ultimately results in the car's moving and the loss of energy as heat. THANKS SOOOOO MUCH

Physical Science research If all we ever offer our students is a textbook version of science, they will never get to “own” a discovery that they make during an experiment. Our world is not a world of chaos, and once students begin to see that they can observe a phenomenon, ask questions, and set up a methodical test to answer questions, science will no longer be a class but rather a means ...
