My favorite part about DigiLibraries.com is that you can click on any of the categories on the left side of the page to quickly see free Kindle books that only fall into that category. It really speeds up the work of narrowing down the books to find what I'm looking for.

The 10th edition is also the last edition written solely by Muchinsky, before his death last year. Sadly, the 11th edition deletes a lot of Muchinsky's personal insights. His insights about teams and teamwork from Chapter 9, in particular, can easily be applied to other "teams," such as families.
