Servant Leadership in Nursing - Mary Elizabeth O'Brien ...

A servant leader is primarily driven by the desire to serve others, and then makes a conscious choice to aspire to leadership to accomplish this goal.

1. Relationships are the key to successful servant leadership. Servant leaders cultivate relationships by listening, being aware and empathetic, and fostering others' growth.

Servant leadership: A model for emerging nurse leaders ...

Servant leadership has been embraced by many nurse leaders as the philosophy that guides their practice. Servant leadership is caring leadership and helps to build trust because followers believe that their leader genuinely cares about their welfare. This psychological safety leads to a higher level of employee engagement.

Servant Leadership in Nursing - Emerging Nurse Leader

Regardless, we feel that servant leadership specifically and explicitly fits well with the overall goals of critical care nursing and medicine: never take your eye off the ball; that is, the patient comes first. Many obstacles to servant leadership must be overcome so our teams can be the best they can be.
