Use the mouse to activate Shorthand by clicking on the Shorthand icon in the system tray (usually located next to the clock on the lower right corner of your screen). Click Shorthand's Hide button to send Shorthand to the background; this should reset your keyboard. If your keyboard still doesn't work, shut down and restart Shorthand.

SHORTHAND 10 GETTING STARTED
In Pitman, you write the consonant sounds first to form a shorthand "outline" and then, if necessary, mark in the vowels. In many instances, no vowel marks are necessary. Vowels should, however, be marked in full the first time a proper name is mentioned (or if the name has an unfamiliar spelling, it should be spelled out in regular letters).

Basics of Pitman Shorthand
Communication Skills. Shorthand is a quick way to write by hand using different symbols. This style of writing was common before the invention of tape recorders and was a skill secretaries needed to have. Shorthand is useful when recording dictation or taking notes.

How to Learn Shorthand Online for Free | Career Trend
Shorthand is a system of abbreviation in which only a bare outline of a word is written—just enough (note the middle line above) to allow you to later decipher from the word's outline and its context what the word is. Shorthand systems go for maximum speed at the expense of readability.

A Guide to Alternative Handwriting and Shorthand Systems
shorthand dictionary, which should be a guide so clear that a beginner can readily locate the shorthand outline for any given word, but which at the same time should possess all the resources needed to satisfy the most advanced writer, whether a teacher or a court reporter.

Create Engaging Digital Stories for the Web | Shorthand
Since shorthand has been around for thousands of years, it'll be no surprise that many people have taken a crack at developing their own systems. One promising subset is alphabetic shorthand systems; these use the standard latin characters you're already familiar with, and they drop vowels and make abbreviations to help you increase your note-taking speed.
