Stone Soup Activities For Kindergarten

Many of the physical tasks involved in Stone Soup making (such as gathering, stirring, and transforming) give kids the opportunity to practice behavioral schema—making this a universal and developmentally enriching activity for kids. Cooking together in a communal pot is a great way to develop teamwork skills.

Stone Soup Activity For Kids | Tinkergarten

Stone Soup. Stone soup is a wonderful story to share with children in a group setting (daycare, school, church, Brownies, etc). Share the story one day, the next day have all the children bring a ziploc baggie of chopped up vegetables, herbs and/or spices (you can assign things to bring for a well rounded soup or let the children bring whatever they like for a mystery pot).
