One Response to The Bear – Claire Cameron. shelleybean1 says: February 3, 2014 at 8:07 pm. I also found this a slow read because I had to keep going over lots of sections multiple times because the narrator's POV was confusing (also, typos, but it's an ARC, so eh).

The Bear - Claire Cameron | The Book Dorks

The Bear is part cathartic exercise for Cameron who worked in Ontario's Algonquin Park when a truly horrendous bear attack took place. That event was the catalyst for the novel. I admit the premise she establishes is intriguing and has echoes of Stephen King's The Girl Who Loved Tom Gordon.

This is true of all children. Their parents are killed in a bear attack, but the parents' last actions were to make sure the children survived. The attack is terrifying! The children's initial escape from the attack site is harrowing. The sinister stalking by the third main character, the Bear, is spine chilling.
