# Read PDF The Scalpel And The Butterflythe War Between

In a surprisingly beautifully written book, the Scalpel and the Butterfly explores the historical and ongoing conflict between the hope offered by new animal research and experimentation versus the ethical implications which cause us uneasiness and doubt. When is science moving too far and too fast?

## **Amazon.com: The Scalpel and the Butterfly: The Conflict ...**

In precise and elegant prose, The Scalpel and the Butterfly explores the ongoing struggle between the promise offered by new research and the anxiety about safety and ethical implications in the context of the conflict between experimental medicine and animal protection that dates back to the mid-nineteenth century. Deborah Rudacille offers a compelling and cogent look at the history of this divisive topic, from the days of Louis Pasteur and the founding of organized anti-vivisection in ...

## **The Scalpel And The Butterflythe War Between Animal ...**

Biological experimentation, writes science journalist Deborah Rudacille in *The Scalpel and the Butterfly*, has long been the province of a scientific elite that has not much cared to explain its work to the larger public. That public, she continues, has responded with a kind of don't-ask, don't-tell policy "whereby society will permit animal experimentation--and certain types of research on human subjects--as long as it is protected from the details".
