### Unnaturally French Foreign Citizens In

Telling the story of naturalization from the sixteenth to the early nineteenth centuries, Unnaturally French offers an original interpretation of the continuities and ruptures of absolutist and modern citizenship, in the process challenging the historiographical centrality of the French Revolution. Unnaturally French is a brilliant synthesis of social, legal, and political history.

In his rich and learned new book about the naturalization of foreigners, Peter Sahlins offers an unusual and unexpected contribution to the histories of immigration, nationality, and citizenship in France and Europe. Through a study of foreign citizens, Sahlins discovers and documents a premodern world of legal citizenship, its juridical and administrative fictions, and its social practices ...
